

PARENT COMMUNICATION

30th July 2020

Subject:
Re-opening

Dear Parents,

I hope you are enjoying happy summer holidays and able to spend some time relaxing with your family. Having reviewed the current ADEK and UAE government advice I have created The Pearl's reopening plans. Our central Operational Risk & Safety team have been working with ADEK, health authorities and the team here at the school to establish the very best standards in regards to safety and health controls to help prepare our school for re-opening. We will be sending out further information mid-August outlining all of the safety measures that have been put into place along with the safety requirements when coming back into the school building. Please remember that the current plan is based on the information currently available and may be changed if new policies or guidelines are released. If necessary, changes will be shared with you via email. SMS and SharePoint.

In preparation for the return to school on Sunday 30th August, please be aware that we shall be offering a 4-Day rotation model which allows children the optimum face to face, in-school experience, alongside our online distance learning platform.

How does the 4-Day rotation model work?

Each class will be divided into 3 groups and will attend school on the day that their group is due to be taught face to face. This ensures that social distancing is maintained, and the very highest level of Health and Safety can be adhered to.

Further information and timetables will be sent out nearer the time of return to clarify which day(s) your child(ren) will attend.

1	Children will spend 1 days in school with their class teacher predominantly working on the core ENC subjects: English reading, English writing, maths and science.
3	Children will have 3 days when they work at home on Arabic subjects and the ENC foundation subjects: geography, history, art, design, and technology.

We will continually review this plan and any new policies and guidelines. Further emails , SMS and portal messages will follow with additional information as it becomes available.

I wish you and your families a wonderful summer and look forward to welcoming you back to school the week beginning Sunday 30th August.

Yours sincerely

Mrs. Abigail Fishbourne

Principal - Aldar Academies, The Pearl Academy
